

Bonner Community Fund

Template Proposal

Proposal Title:

Student Name(s):

Student Email(s):

Type of Community Fund Request: Community Program, Student Program, or Training

COMMUNITY PROGRAM

Goal Statement: What are your primary goals with your project? What are you hoping to accomplish?

Project Overview: Please describe your project and how it addresses an unmet need or issue present in the community.

Key Stakeholders: Who are individuals or organizations that would be invested or impacted by your project?

Community Collaboration: Please describe your relationship with your community partner, and their role in the development of your project. Describe how it aligns with their mission and goals and any previous work the organization has done on this issue.

Student Motivation and Roles: What are your motivations and passions related to this project? How do your skills and experiences complement and support the community in addressing this need/issue?

Sustainability: How will the project or its outcomes be sustained beyond your project?

Budget: Please identify the total amount requested, and then list specific items and their individual expense for which you are requesting funding.

Workplan: Please briefly describe your plan of action for preparing and implementing your project.

STUDENT PROGRAM

Goal Statement: What are your primary goals with your program? What are you hoping to accomplish if granted community funding?

Program Overview: Please describe your program and how it addresses an unmet need or issue present in the Bonner community or beyond.

Key Stakeholders: Who are individuals or organizations that would be invested or impacted by your program?

Student Motivation and Roles: What are your motivations and passions related to this program? How do your skills and experiences complement and support the Bonner or campus community in addressing this need/issue?

Budget: Please identify the total amount requested, and then list specific items and their individual expense for which you are requesting funding.

Workplan: Please briefly describe your plan of action for preparing and implementing your program.

TRAINING

Training Event: Please describe the conference, workshop, or training opportunity in which you will participate.

Student Motivation and Roles: What are your motivations and passions related to this training opportunity? How will this experience benefit your growth and participation as a Bonner student and/or post-graduate?

Budget: Please identify the total amount requested, and then list specific items and their individual expense for which you are requesting funding (e.g. conference dues, transportation, etc.).
