

Goals, Prompts, Rubrics: Written Reflection

Student Learning Goal four³

4.0 The CCE prepares students for lives of active learning. Through CCE programs, students will:

- 4.1 Practice self-motivated learning
- 4.2 Develop and demonstrate communication skills across a variety of settings
- 4.3 Practice professional skills and gain professional experiences needed to work in a variety of settings

Prompt for outcome 4.1

Recount an experience you had through service in the community that made you want to learn more about something. What did you want to learn and how did you go about it?

Rubric for outcome 4.1

| <i>Students will practice self-motivated learning inside and outside of the classroom*</i> | | | | |
|---|--|--|---|----------|
| 4 | 3 | 2 | 1 | 0 |
| Generates and realizes an opportunity to expand knowledge, skills, and abilities outside classroom and/or program requirements. | Pursues substantial, additional knowledge and/or actively pursues independent educational experiences related to their engagement. | Pursues some additional knowledge and/or shows interest in pursuing independent educational experiences related to their engagement. | Does what is required but does not look beyond requirements or guidelines for engagement; does not show interest in pursuing knowledge and experiences independently. | NS |
