Who: You must participate if you are a rising sophomore or you are interested in changing your placement next year. *You cannot change placements if you have not been to the interview market.*

Tips:

1. Bring multiple copies of your academic and sports practice schedules*

*Remember Bonner Scholar Primacy of Position Policy

2. Bring multiple copies of your resume
3. Dress business casual (think church clothes)
4. Write down three questions to ask the Community Partner
 - a. Examples: ask about the supervisory style, learning opportunities, dress code, goals for the placement, skills needed to accomplish goals, transportation, etc...
5. Think about how this site placement will fit with your career and learning goals
6. Be honest with who you are and your operational style
7. Ask for contact information if you are planning on preferencing a placement
8. Only preference agencies that you would want to work with.
9. You will receive an email the week of April 15 with the contact information of your partner. You should email or call them back directly to set up a meeting or orientation with them for this semester. This will help you start your placement at the beginning of Fall Semester.
