

## Senior Capstone Proposal

<b>Name</b>	
<b>Capstone Title</b>	
<b>Community Partner</b>	
<b>Project Advisor</b>	

**Capstone description:** What is your capstone project? What is the deliverable? How are you going to make it happen?

--

**Research question:** What is your research question? In other words, what are you trying to solve? How is this question driven by expressed community needs?

--

**Outputs, Outcomes and Impact:** In what ways will this project lead to community change?

**Output** (Example: reports, curriculum, papers, assessments, etc.)

**Outcome** (Example: programmatic changes, laws, increased funding, etc.)

<b>Impact</b> (Example: reducing recidivism, increased access to healthy food, economic impacts, etc.)	
--	--

<b>Background Research:</b> List 2 articles that represent the type of work you hope to do and how you hope to advance knowledge in this area. For each article, explain briefly why you chose it.

Project Timeline (indicate general deadlines for the following items)	
Proposal completed:	
First draft completed:	
Final draft completed:	
Outline your steps for working on your capstone in fall and spring semester:
